Brief Description of Organization

(please outline previous experience with broadband deployment and/or provision of broadband services)

Verizon is an international telecommunications corporation and a world-leading broadband provider of voice, data and video services. In 2008 alone, Verizon expanded its FiOS offerings and now provides FiOS TV and data in nearly 100 communities across the state. In addition, in 2008 Verizon brought High Speed Internet service to 24 previously unserved communities in Western Massachusetts and more than doubled the speeds of its DSL offering from 3Mbps to 7Mbps in 92 communities.
